CALL FOR 3rd PRAYER DAY 2026 – 30th April 2026 - RITUAL VIOLENCE
An Initiative of „DAS SCHWEIGEN BRECHEN“ (BREAKING THE SILENCE), Christian Interest Group

THANKS

- For all those affected who have already been rescued and have experienced liberation and healing..
- For all who to date have had the courage to break the silence and bring the truth to light.
- Also for the survivors from the “Epstein circles“ who do not remain silent despite murder threats and murder attempts.
- Confirmation of the credibility of survivors through cases such as Epstein/PDiddy.
- For every practical, expert and financial support.
- For every helper who acts for the wellbeing of those affected.
- For protection and supernatural guidance in daily life and lawsuits etc.
- For all small and great miracles!
- That the film “Blinder Fleck [Blind Spot]“ played in many cinemas during the year 2025/2026 and that Ms Wieskerstrauch was able to produce it.

REQUEST FOR ALL WHO ARE STILL IMPRISONED IN THESE CULTS

- Request for miracles to let perpetrators and victims recognize that God exists and stands up for the weak.
- Request for supernatural protection from attacks.
- Comfort in Christ, rekindled hope of rescue.
- Request that lies about Jesus, Heavenly Father and oneself may no longer gain a foothold in those affected.
- That Jesus prepares ways out of the cult, making it possible for people to escape or receive external support.
- Request that they get to know people who are really trustworthy and courage to entrust themselves to them.

REQUEST FOR THOSE AFFECTED IN GENERAL

Surely the hand of the LORD is not too short to save nor his ear too dull to hear. Isaiah 59:1a

Blessed are those whose help is the God of Jacob, whose hope is in the LORD their God. He is the Maker of heaven and earth, the sea, and everything in them — he remains faithful forever. He upholds the cause of the oppressed and gives food to the hungry. The LORD sets prisoners free. Psalm 146:5-7

- Request for grace to be able to forgive and thus experience liberation.
- Request for safe, healing relationships with people who really have good intentions towards them. Especially an environment in which healing in a protected space is possible.
- Request for them to be given the necessary protection that they need, also on the human side.
- Request for God’s healing and comfort for both emotional and physical wounds and afflictions.
- For supernatural preservation of body, soul and mind and protection from intimidation from perpetrator circles (Epstein and Hollywood among others)

I lift up my eyes to the mountains — where does my help come from? My help comes from the LORD, the Maker of heaven and earth. Psalm 121:1-2

- A real encounter with God as their Redeemer.
- That they can accept the incomprehensible experiences of the past as part of their own history.
- Courage to face the truth and the healing process.
- Termination of harmful or even dangerous relationships. A good instinct for who they can trust and who not.
- Strength and fresh hope when hopelessness and feelings of helplessness threaten to overwhelm them.
- Prayer for protection from further traumatization

Come to me, all you who are weary and burdened, and I will give you rest. Matthew 11:28

- That thoughts of suicide and their programs lose their power or can be dissolved.
- Request for preservation from further injuries and breaches of trust.
- For the integration of the split off parts of the soul in the survivors and that they more and more occupy the land of their soul.
- Courage to step out of the victim role and face life's challenges so as to mature into real overcomers.
- The right timing and God's influence on reuniting and restoring the bonds between adult survivors and their children and siblings with each other, wherever it is reasonable and possible.

The Spirit of the Sovereign LORD is on me, because the LORD has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners. Isaiah 61:1

- Request for practical help in everyday life and blessings in all areas of life.
- Request for strength and courage to distance themselves from relationships that harm them.
- Request for space to be able to break the silence in small or large groups.
- Request that lies and programming lose their power in God's perfect time and truth comes to light.
- Request that those affected get to know each other and become strong together, that networks are created, joint safe meetings.
- Space and funding for protective facilities (house, farm) and practical support.
- Wisdom for public appearances as affected or accompanying persons (club, website, premises). What is to be done and when? **Shake off your dust; rise up, sit enthroned, Jerusalem.**

Free yourself from the chains on your neck, Daughter Zion, now a captive. Isaiah 52:2

FOR AFFECTED RELATIVES

- We bless them with patience, wisdom in handling the victims, sensitivity, understanding and Christlike love.
- For willingness and ability to forgive the perpetrators for what was done to their loved ones.
- We bless them with protection from injury, also for their heart, and that they may find help and strength in the LORD.
- Patience, empathy, mercy, love, wisdom ... willingness to sacrifice and mindfulness of oneself as well as the ability to distance oneself emotionally, so as not to start drowning too but to be able to remain in the helper position.
- Friends and experts to whom the accompanying people can turn for advice and support.
- Connecting the relatives throughout Germany so that they can encourage each other.
- With financial and practical support..
- Prayer that the incomprehensible experiences of the past can be accepted as part of their own history.

FOR THE PERPETRATORS

- Request that their conscience will be revived and they avoid the things that they cannot reconcile with it.
- Request for opened eyes to be able to discern the truth.
- Recognizing the truth, who the true God is, that he lives and also died and rose again for them. But also realizing that they need a redeemer.
- Room for repentance, for courage to confess their own guilt so as to be able to receive redemption, salvation and liberation through Jesus.

There is nothing concealed that will not be disclosed, or hidden that will not be made known. What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs.

Luke 12:2-3

PRAYER SOCIETY

- Avoid becoming deadened despite the media inundation with Epstein and Hollywood news. Expressions like “cannibal, etc.” and others should not be used excessively because they question the credibility of those affected.
- For complete disclosure of the truth also about German/European elites and politicians.
- Awakening of the population and a rise from lethargy and social victim role (“They are all too powerful.” “We can’t do anything about it.”) OUR GOD can!
- For the eyes of the population to be opened to recognize others’ needs regardless of the sector and meet these needs within the scope of our possibilities.

Because of the increase of wickedness, the love of most will grow cold Matthew 24:12
